**Possible KIBITZ Prospects**

1. ☐ ☐, a member of another division just back from a trip to Germany, has called our attention to two native Germans who might be prospective recruits for KIBITZ. It is suggested that you make whatever use of this information you deem advisable.

2. Franz KELLER, 69 Otto Lindenmeyerstrasse, Augsburg, is approximately 25 years of age, is a personal friend of ☐ ☐, and is now administrative chief of the Deutscher Schaeferverband, which has headquarters in Augsburg. He is a W/T prospect, who, however, has had no training in this field. His orientation is strongly pro-American.

3. Arno RITZER, 16 Mozartstrasse, Augsburg Goeppingen, is approximately 50 years old, is employed in the Maschinenfabrik, Augsburg-Muenchen, where he has worked for 25 years, and is an electrical engineer who is an expert amateur (and sparetime) radio repairman. He can readily rebuild and construct radio sets. He was described by ☐ ☐ as anti-Nazi during the late unpleasantness in Germany and has no intelligence connections, as is also true of KELLER.

4. ☐ ☐, incidentally, is making another trip to Germany very soon and has indicated that he might look ☐ ☐ up.
